Mr. Abe Manley,
Newark, N. J.

Dear Mr. Manley:

Find enclosed your request, my request and Mr. Dees request. I am purposely sending this as it contains a 3 in one affair. The management here is very much interested, as you can readily see by his note. Please let me hear from you at once as base ball is getting hot here.

Was in your city last Sat. after seeing the clown fight in N.Y. on Friday night.

Trust you are O.K.

Yours very truly,

C. Dillard, Jr
